The rating sessions will be conducted in an "open house" format. Players can come anytime between 6:00pm and 8:00pm on their assigned nights. Please report to the gym and be dressed ready to play. Your individual rating session should take approximately 30-45 minutes.

The rating session is designed to help put the teams together evenly. Each child will be rated on his/her skills and abilities. Then in turn, all teams will have an equal number of players on each team with equal ratings. This makes the league more enjoyable for the children. No teams are stacked and all of the teams and children have a chance to win and learn.
